Kangaji Beach

This lovely secluded bay is an hour's walk through the rainforest from Bloomfield Lodge. It is an idyllic spot to stroll, beach comb and imagine yourself as Robinson Crusoe for a few hours. The walk is easier on a low tide but be prepared for some steep sections. You can walk one way and be picked up or dropped off by boat the other way, or the energetic can walk there and back. Alternatively we can drop you and pick you up again by boat. Timings for this are dependent upon the tides but we can normally arrange to drop you in the morning and collect you in the afternoon. The chef will prepare a picnic lunch for you and a cool box for any drinks you want to take with you.

Cost of boat transfer \$28 each way.

Cost is for the boat and boatman, not per person, and includes 10% Goods & Services Tax.

Bloomfield Falls

This half-day trip to the picturesque Bloomfield Falls is one of the most popular amongst guests at Bloomfield. From the Lodge we travel to the wharf by boat, where we drive by 4WD along the Bloomfield River through the Aboriginal community of Wujal Wujal. After parking the vehicle it is an easy 5 minute walk to get a spectacular view of the Falls.

A highly informative and entertaining 30 minute Aboriginal guide option can be arranged. Please add \$20 per person to the prices below.

Bloomfield Falls & Cedar Bay - National Park Tour

Approximately half an hour by road upstream from the wharf area (Port Bloomfield) are the spectacular Bloomfield Falls. The drive there follows the river and then passes through the aboriginal settlement of Wujal Wujal.

After viewing the falls, we then return downstream and proceed approximately 14km towards Cooktown until we reach an idyllic picnic and swimming spot on Gap Creek in the beautiful Cedar Bay National Park. The trip leaves mid morning and returns (after partaking of one of Bloomfield's sumptuous picnic lunches) approximately 4 1/2 hours later.
