A TASTE OF CHRISTMAS AT BLOOMFIELD LODGE

Relax, eat, drink and enjoy the company of friends & family

Spend Christmas with friends or family at the multi-award winning Bloomfield Lodge, a small boutique rainforest lodge nestled in the Daintree Rainforest in Far North Queensland.

Dining at Bloomfield is without a doubt one of the highlights of a stay here and the food so delicious it is almost impossible to exercise any restraint. Head chef Russell Brown has been serving up the freshest local produce, meats and seafood for the last 6 years.

Christmas Day is intimate, friendly, full of festive cheer and culinary indulgence. The day begins with a breakfast of fresh fruits, home made pastries and a choice of hot dishes. Lunch is either a cold meat and seafood buffet or whole baked fish depending on guests preference.

After lunch, guests can be as active or as relaxed as they wish, unwinding by the pool or wandering around the rainforest grounds may be perfect for some, whilst a cricket match on the lawn is maybe just what's needed to work up an appetite for Christmas dinner. A little fun is added by recreating The Ashes with Australia against the Rest of the World.

A hot buffet is served for dinner with a Christmas fare of roasted meat and all the traditional trimmings followed by Christmas cake. The festivities continue into the evening at the honesty bar.

The beautiful, enchanting and remote location of Bloomfield Lodge really does make it the perfect sanctuary to get away from all the stress and hustle and bustle of the festive period.
